

GOVERNMENT INITIATIVE

Government said it to be "Economic Stimulus Project" distributes ten thousand baht to vulnerable groups "Disabled People - State Welfare Cards" totaling 12.55 million people, starting on 25 September, for a total of 4 days according to ID card numbers.

MISSION Distribute 10,000 baht through a digital wallet is aimed at boosting local spending.

GOAL Stimulate regional economies and support households

Digital Wallet is one of the important economic policies of the government of Mr. Settha Thavisin as Prime Minister. The Cabinet announced its policy to Parliament on September 11, 2023.

THAIXAMINER: Thailand's News for Foreigners stated stronger baht can make it more expensive for international tourists to visit Thailand, impacting local businesses.
