TEAM GOOD

Executive summary

Challenges

Reduced demand for large collections challenges brand's appeal to traditional collectors

Unrecognizing Memorigin's positions from retailers and customers as a premium luxury watch brand

Question

How can Memorigin regain sales from Chinese customers, solidify its position in Japan, and establish unified marketing strategy to strengthen brand identity across diverse markets in 3 years?

Strategy

1.The heritage Fusion

2.The Memorigin navigator

3.The Connected Experience

KPIs

64.5%
ROMI Rate

STRENGTHS

- Unique positioning as a luxury brand offering affordable tourbillon watches.
- Strong partnerships with global brands like Marvel, Star Wars
- Strategic focus on limited-edition watches, creating exclusivity and demand.

OPPORTUNITIES

- Expansion into international markets like Japan and beyond overseas.
- Leveraging e-commerce and social media for enhanced brand exposure.

WEAKNESSES

- Dependence on niche customer segments like collectors and fans of specific collaborations.
- Limited scalability due to small production capacity and labor-intensive manufacturing.

THREATS

- Economic uncertainties affecting discretionary spending on luxury items.
- Negative perceptions or challenges related to quality from competitors' campaigns.

SITUATION ANALYSIS

Exclusive

- prioritize limited availability enhancing the sense of exclusivity and distinction
- value status symbols reflecting social standing

value uniqueness and status

Craftmanship

- seek luxury, crafted with superior materials ensuring quality and durability
- embody trust and artistry regarded with legacy of craftsmanship

expect premium materials & craftsmanship

Personalization

30 yrs

- Gen Z
- Millennials

- desire bespoke products & services
- expect personalized purchasing journey from consultation to post-purchase support

desire bespoke products that reflect individuality

To achieve the goal of global brand **recognition and increased sales**, Memorigin needs to focus on limited-edition exclusivity, superior craftsmanship, strengthening digital marketing and market positioning **to build trust**.

Customer Behavior

Traditional Watch Collectors

Focus on craftsmanship and legacy; well-established brand preferences

Ages : 40–70 yrs

Crossover Brand Enthusiasts

Drawn by collaborations with pop culture brands and limited editions

Ages : 30 yrs

Custom-Made Buyers

Seek personalized designs; includes universities and corporate clients

Individuals & Institutions

Prioritizes

Competition Analysis

Dominance in Key Locations

1. Mainland China

Sea-Gull (affordable tourbillons), Beijing Watch Factory (artisanal designs), FIYTA (tech-focused).

2. Japan

Dominant Brands: Grand Seiko (precision), Citizen (artisanal Campanola line), Casio (pop culture G-Shock).

3. Hong Kong

Dominant Brands: Memorigin (tourbillon innovation), Rolex (ultra-luxury), Omega (Moonwatch).

4. Global

Dominant Brands: Rolex (status), Patek Philippe (heirlooms), Omega (storytelling).

Exclusive

Personalization

IMPORTANT QUESTION

Why MEMORIGIN needs to stand out with iconic brand awareness?

& craftsmanship

reflect individuality

To achieve the goal of global brand **recognition and increased sales**, Memorigin needs to focus on limited-edition exclusivity, superior craftsmanship, strengthening digital marketing and market positioning **to build trust**.

MEMORIGIN

THE BEYOND OF HERITAGE

I. The heritage Fusion

Key Objective : The strengthen Memorigin brand identity through cultural and collaborative storytelling

Campaigns Collaborations

Netflix

"Timeless Series"

create a limited-edition watch inspired by a popular historical drama series.

Pandora

"Moments in Time" watches that complement Pandora jewelry, offering customers a complete set of luxury accessories.

Cathay Pacific

"Journey Through Time" Campaign that Create a series of advertisements featuring Memorigin watches alongside stunning images of global destinations.

Local Check-in Points in Hong Kong

- **Partnering with Prestigious Retailers:** Leverage the credibility and reach of well-established luxury retailers to gain wider exposure and customer trust.
- **Establishing Flagship Stores:** Create a brand-owned retail space that embodies Memorigin's identity and offers a premium, immersive customer experience.

65.4% of tourist used to travel in Hong Kong

Source : China daily Hong Kong 2024 By Oasis Hu in Hong Kong

II. The Memorigin navigator

- Launch the **Silk Road Series**, inspired by motifs from regions along the historic trade route

Analysis

- **Japan:** Open flagship stores emphasizing quality and tradition.

Strategy

- **China:** Leverage e-commerce platforms and KOLs to reach domestic and tourist audiences.

Implementation

- **Global:** Partner with international retailers and tailor regional marketing.

Impact

III. The Connected Experience

Seamless Connected Experience: Bridging Audiences Globally

Challenge with Memorigin’s Official Website

- Limited Keyword Strategy:
“Hong Kong” 0% branded organic
“Tourbillon” search visibility
 - Low Audience Engagement:
40.91% bounce rate
22 seconds avg. visit duration
- No Paid Search Campaigns:
0 in investment in google ads
 - Narrow Market Reach
80.98% Hong Kong
19.02% Taiwan

Optimizing Keyword Strategies and Google Ads for Global Recognition

- Apply SEO marketing tools like Google Keyword Planner and Ahrefs
 - Incorporate localized and global keywords in country-specific terms
- Use Google Ads analytics to track campaign performance

LET ME TRY

Try on your dream watch virtually right on your wrist with our “LET ME TRY”

Technology Integration: Add an interactive watch try-on feature using customers' cameras, enhance engagement with AR/VR, and streamline the purchasing process after virtual LET ME TRY

POP-UP Store

Organized to launch in various countries, blending with local cultures while maintaining Memorigin's identity.

Risk Mitigation

Critical impact of risk VS Actual probability to occur

Risk		Solution
1	Impact of Economic Disruptions	Strengthen online-to-offline (O2O) sales strategies, including virtual showrooms and AR technology for try-ons.
2	Market Dependence and Diversification	Expand into additional international markets to reduce dependency on a few regions.
3	Competitive Pressures	Maintain competitive pricing without compromising quality and invest in unique, high-profile collaborations to stand out in the market.
4	Supply Chain and Production Challenges	Partner with additional suppliers to scale production while maintaining quality standards and explore collaborative manufacturing ventures.
5	Quality Perception and Market Trust	Strengthen after-sales service and offer extended warranties to build customer confidence and highlight quality benchmarks and craftsmanship in marketing materials.
