

SUSTAINABLE SEPARATOR MEMBRANE

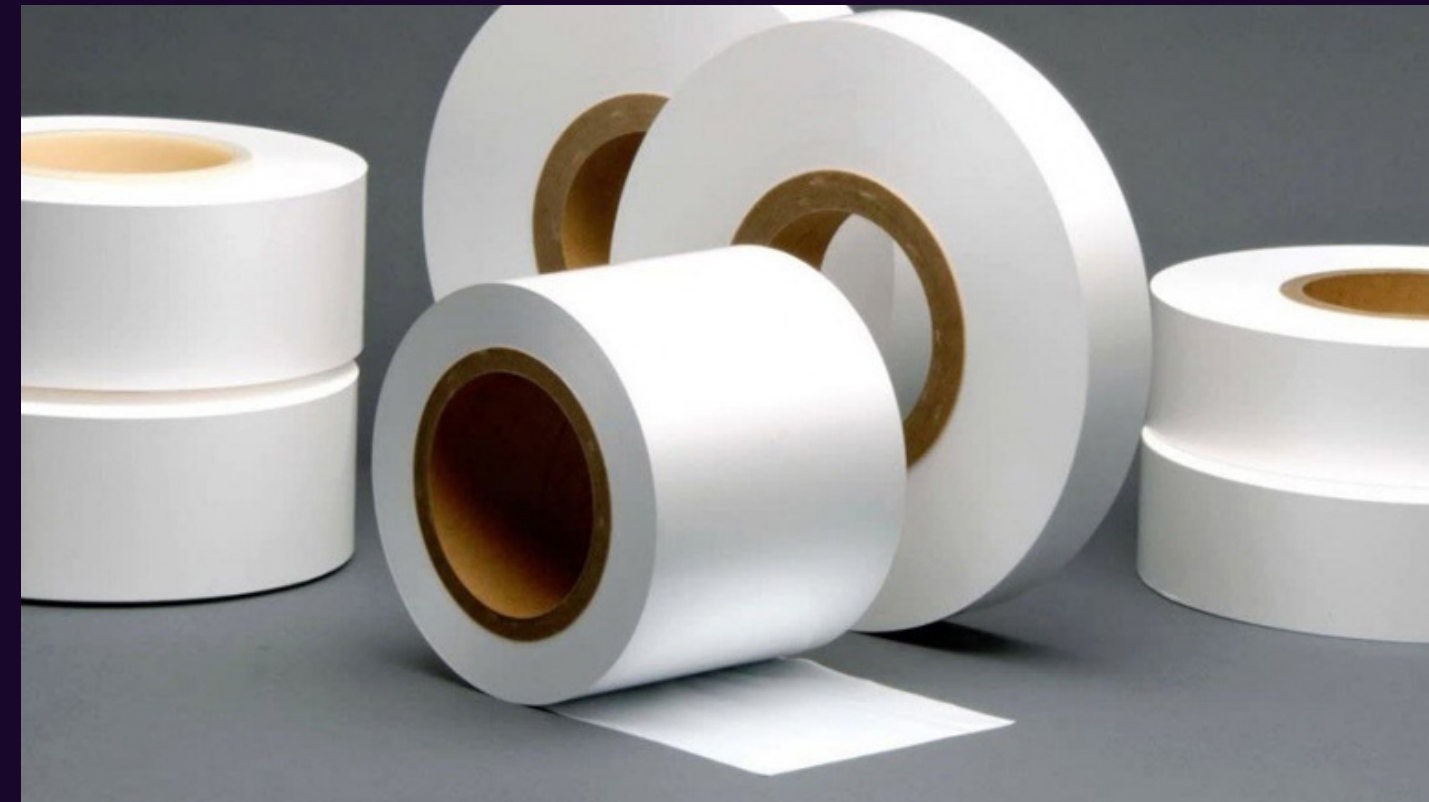

PITCH DECK BY TEAM SSM

200-500 MILLION
BATTERIES WASTE EACH YEAR

S S M
THE FUTURE

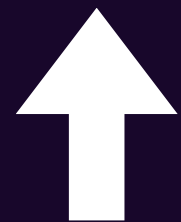

QUALITY • LOW COST • ECO-FRIENDLY

COMPONENTS OF SSM

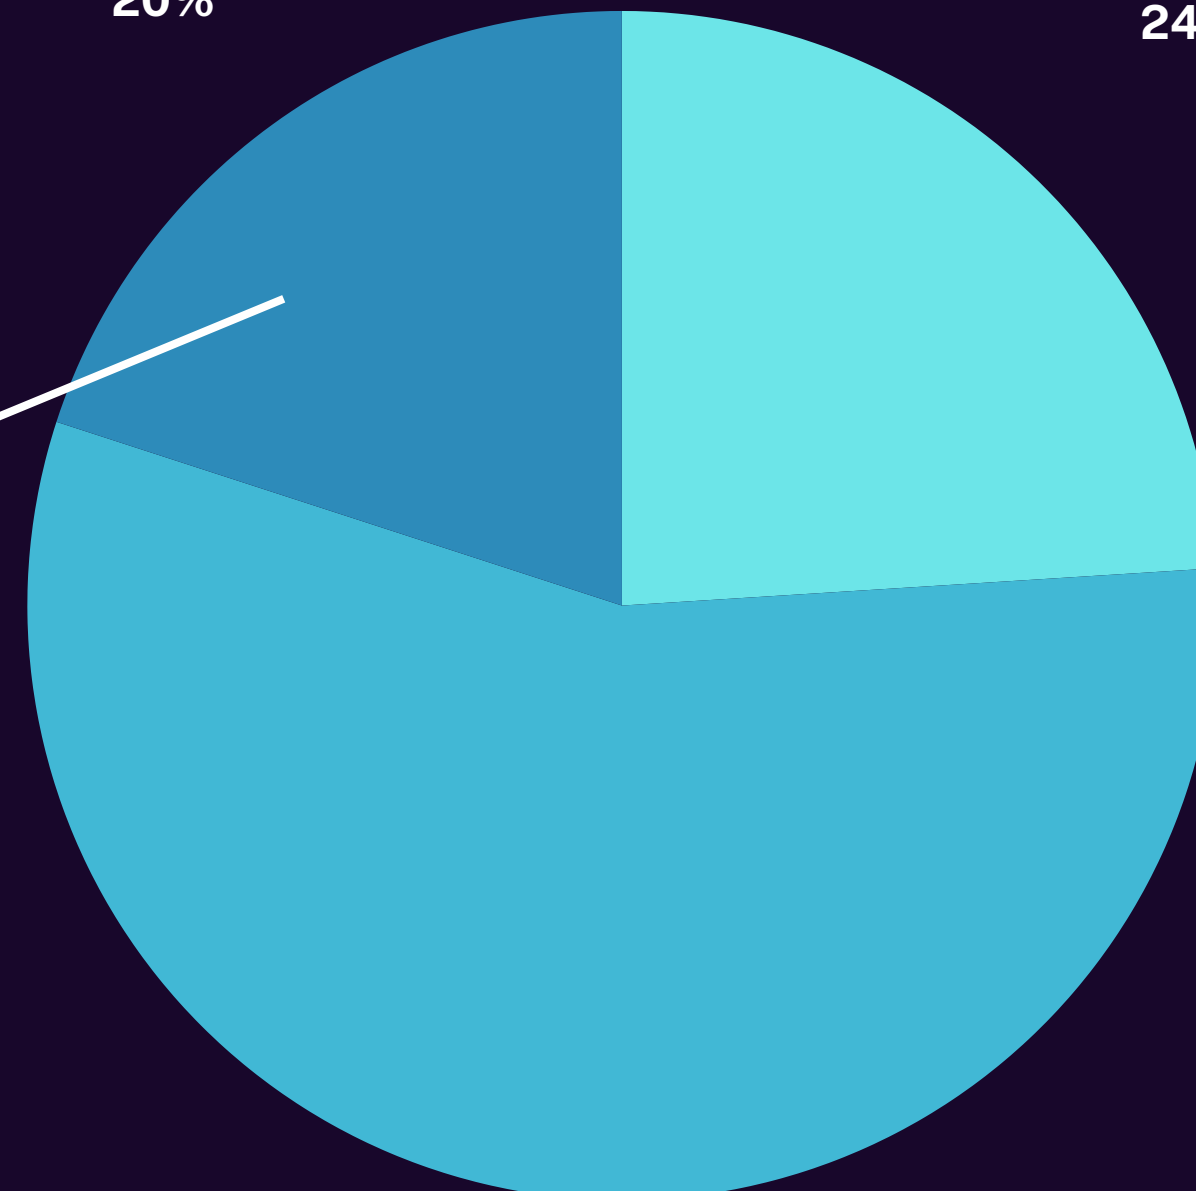

AGRICULTURAL WASTE

SC (Sugarcane Cellulose)
20%

PBS (poly butane succinate)
24%

PLA Poly lactic acid
56%

**PBS AND PLA ARE
BIODEGRADABLE POLYESTERS**

We supply eco-friendly
component for battery

TARGET CUSTOMER

Amita technology (thailand) co. ltd

Yuasa Battery (Thailand) PCL

Siam GS Battery

Manufacturing Factory

2.67 Billion
USD

Thailand Market

+16.4%

CAGR OF MARKET

SSM FUTURE'S PROFILE

**NO DIRECT
COMPETITOR**

CELGARD

an Asahi Kasei company

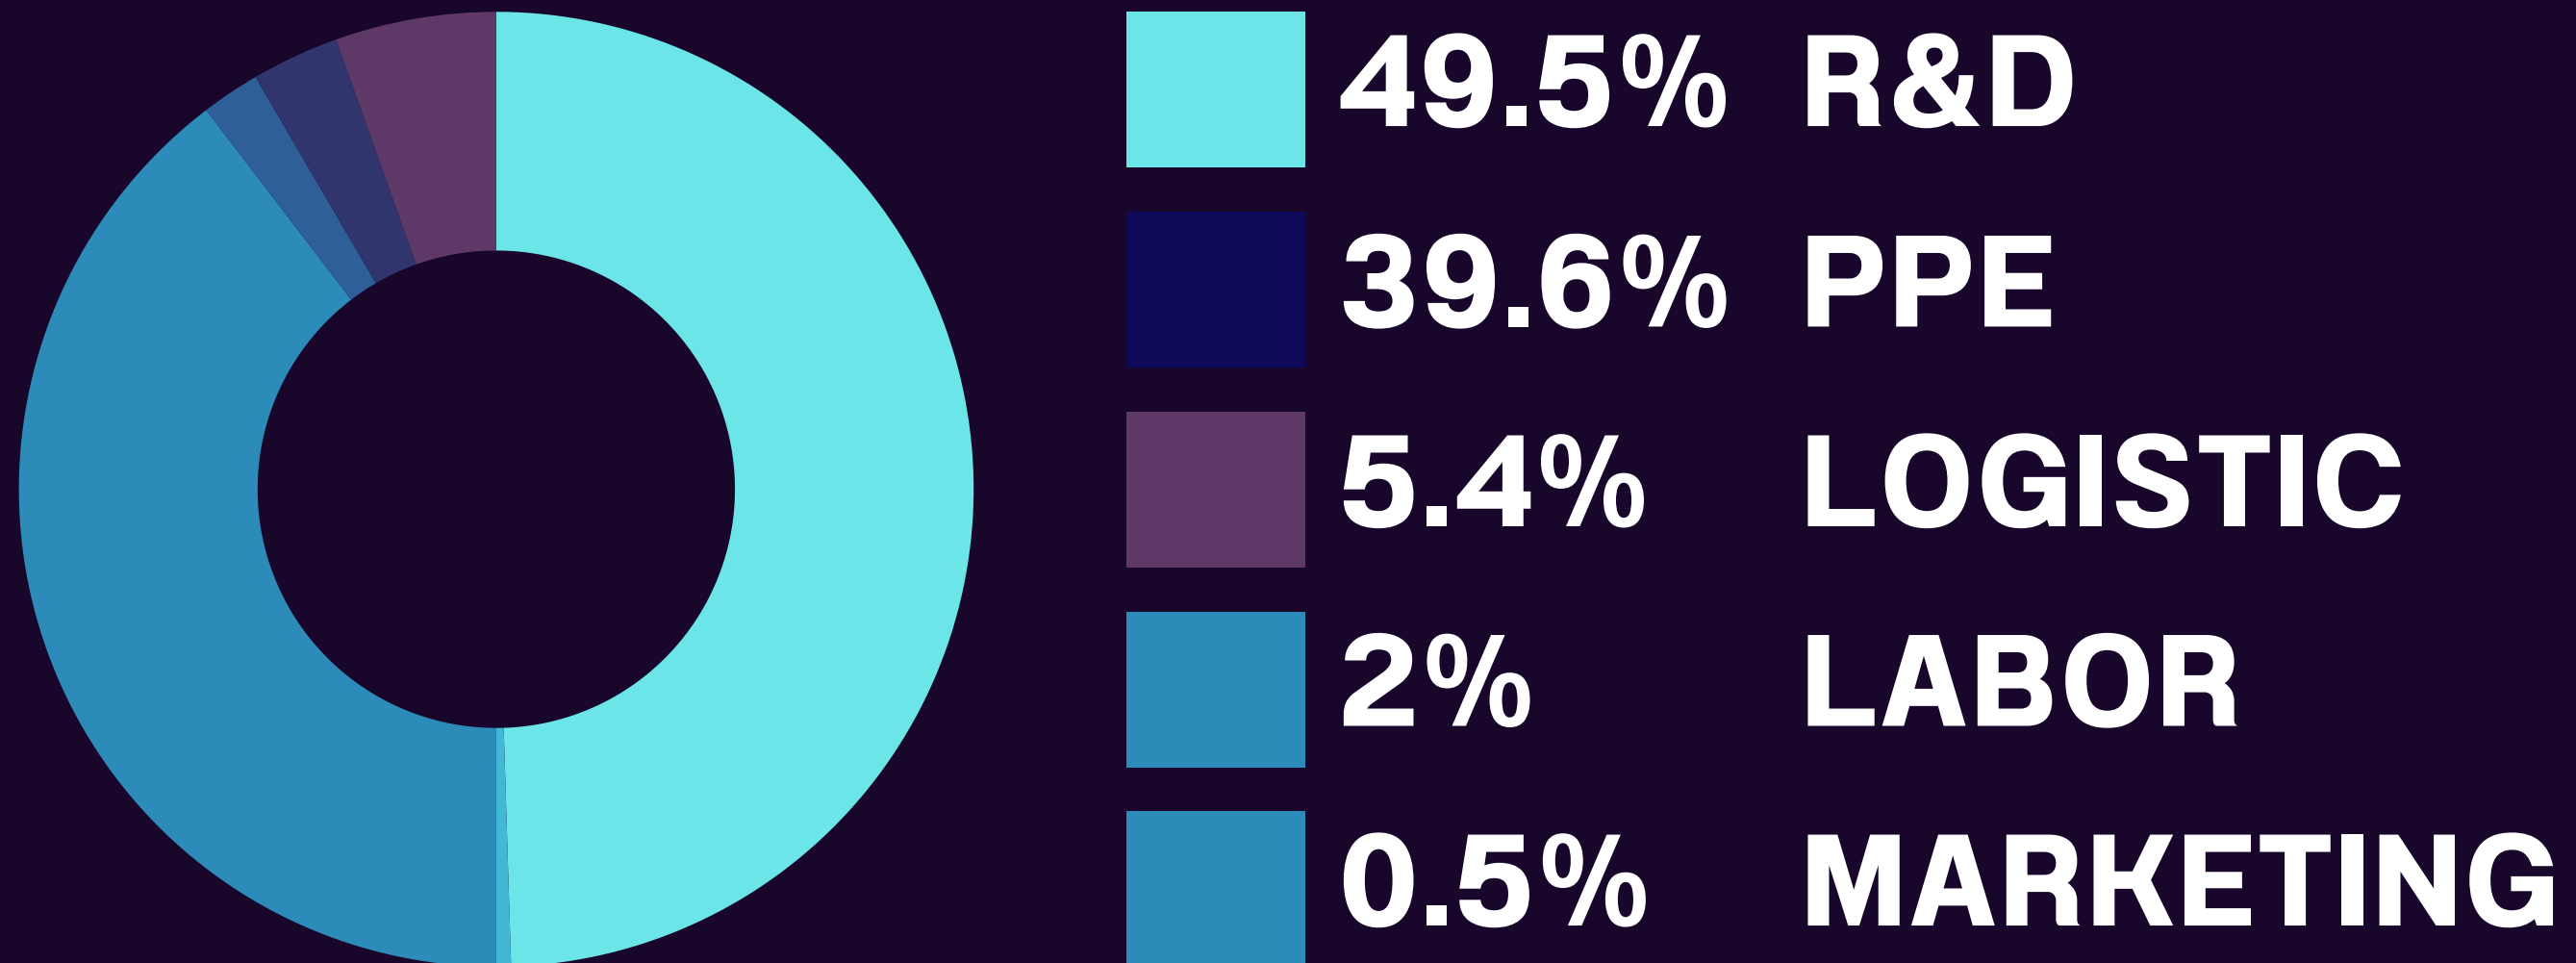

UBE

UBE INDUSTRIES, LTD.

DAIRAMIC

Only three major companies producing non-recyclable separator. The ecofriendly membrane is not yet launch in the market.

USE OF FUND

1,200,000 USD

SUSTAINABLE SEPARATOR MEMBRANE

**OUR VISION: WE MAKE BATTERY BECOMES
MORE ECOFRIENDLY.**

TARGET CUSTOMER

THAILAND

GLOBAL

Amita technology (thailand) co. ltd

Siam GS Battery

Yuasa Battery (Thailand) PCL

Panasonic Energy Co., Ltd.

SAMSUNG SDI
Samsung SDI

BYD

ShenZhen HaiLei New Energy Co., Ltd.

哈电集团
HARBIN ELECTRIC CORPORATION

Harbin Guangyu Power Supply

Tianjin Lishen Battery
Joint-Stock Co.,Ltd.

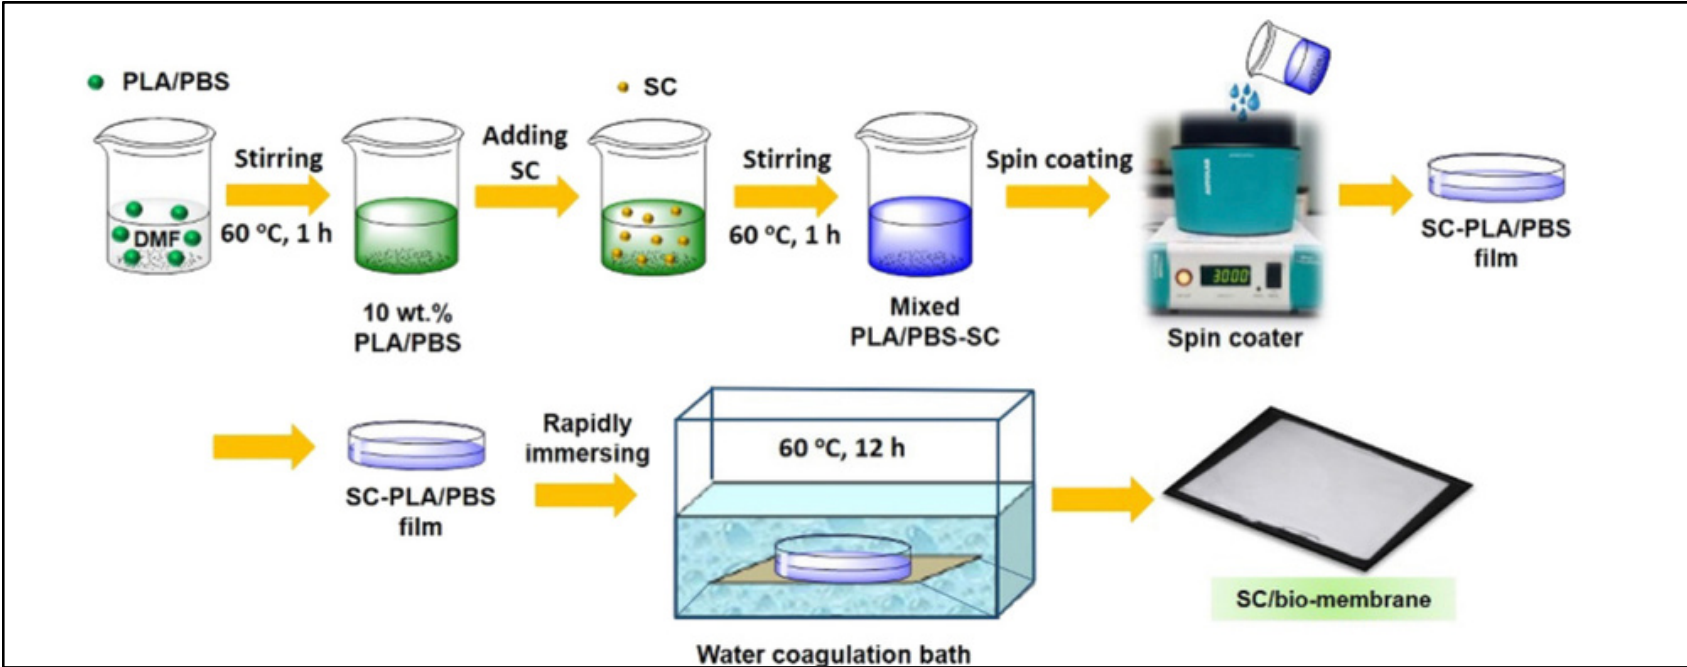

AVIATION INDUSTRY CORPORATION OF CHINA

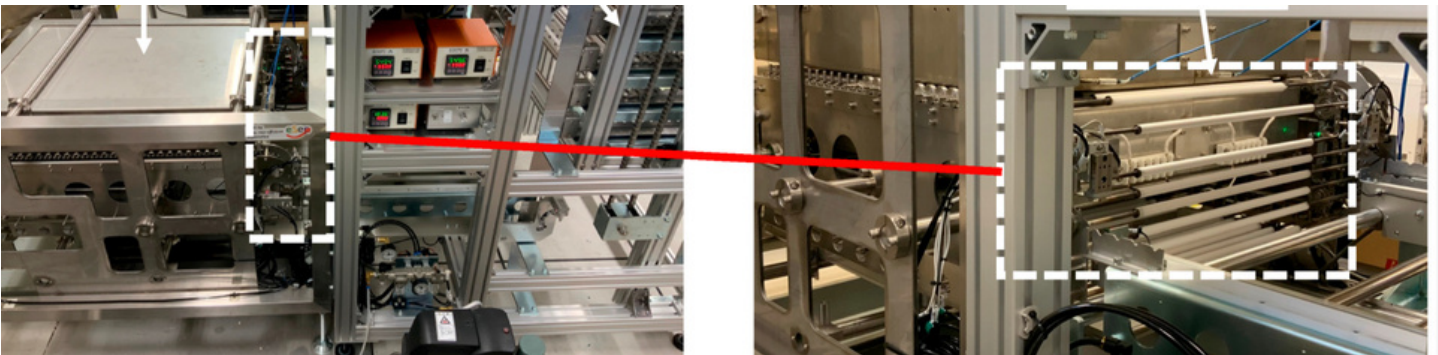

AVIC Lithium Battery
Changzhou Factory

Manufacturing Factory

PRODUCT JOURNEY

R&D Stage: *Frabication of the membrane*

Manufacturing: *Mass Production in factory*

Sell and distribute to battery manufacturers

Finished Product

Expansion Plan

We plan to enter SEA market in the future year starting with Singapore

Why Singapore ?

1st

ecosystem for startups in Asia Pacific in 2022

14

unicorns

over 4000

tech start-ups

have the largest energy storage system in the region

the government support green technology

1st
phrase

Market Survey

- Ship from Thailand by middle man
- Collect data and evaluation

1. The represent of the brand make a contract with Singapore battery company
2. Recieve and ship the order directly

2nd
phrase

Partner

- Find partner in Singapore
- Establish a research hub

Batterycommunity in Singapore

3rd
phrase

Open the production line

- Ship to other countries in this region

LIRON LIB Power Pte Ltd.

Focus on battery management system

Our product vs competitor
