Related **what are the dirty secrets of Thailand?**

Thais dislike foreigners. Maybe dislike isn't the right word because they don't put effort into disdain or sneer is closer. Thai culture is about promoting Thailand, Thai education is about promoting Thailand and Thais genuinely believe that every other country in the world wishes be like them.

Thai roads are the worst in the world. You should count your blessings if you get off a motorbike or out of a car alive. According to some statistics, Thai roads are the second worst the world but Thailand doesn't count a death at a hospital because of an incident on the road as being killed on the roads.

Thailand is full of hypocrisy. There are massive problems with alcoholism, especially among
